Re: United States v. Full Play Group, SA, et al.
Criminal Docket No. 15-252 (S-3) (PKC)

Dear Judge Chen:

The government respectfully submits this letter and accompanying documents pursuant to Your Honor's order of March 3, 2021 requiring the government to produce for in camera review all PowerPoint decks in its possession from 21st Century Fox ("Fox") and Torneos y Competencias, SA ("Torneos"). See ECF Dkt. Entry dated Mar. 3, 2020 (Order). The Fox and Torneos PowerPoint decks are enclosed and are denoted by Bates numbers EDNY_Court-0000001 through EDNY_Court-0000290.

As set forth in the government's previous submissions to the Court in response to the defendants' motion to compel (see ECF Dkt. Nos. 1444 and 1476), the government submits that the PowerPoint decks provided during the course of presentations delivered by Fox and Torneos are not discoverable because those decks either reference underlying materials already produced to the defendants or otherwise fall outside the scope of Rule 16, Brady, and related authorities. To the extent such presentations include substantive, material, non-public information not otherwise available in the underlying documents produced by the government, the government has disclosed and will disclose, as appropriate, such information in letter form. The government respectfully requests that the Court deny the defendants' motion to the extent it

urges compelled production of documents the government intends to withhold as not within the scope of its disclosure obligations under Rule 16, Brady, Giglio, or the Jencks Act.

Respectfully submitted,

SETH D. DUCHARME
Acting United States Attorney
